

HOGAN WANTS TO FIGHT WINNER OF JUAREZ CONTEST

The "One Round" Battler Asks the Herald to Challenge for Him.

"One Round Hogan" wants to fight in Juarez. He is anxious, he says to most of the Dundee or Haynes—the winner of the right next fight—and his manager, writes the Herald from San Francisco asking it to make the challenge for him. The latter follows.

San Francisco, Calif., July 21, 1934.

"Sporting Editor of the Herald: I wish you would kindly challenge through your valuable sporting columns, the winner of the Juarez Dundee-Greer fight being fought in behalf of 'One Round' Hogan, of San Francisco. The 'One Round' Dundee is a great condition at present, and is offering with confidence in his ability to take the measure of most of the lightweights now in the ring.

"Hogan has met nearly every good fighter in the business. The record books will show

"ONE-ROUND" HOGAN.

that he has done battle with such sterling fighters as the ring as Tommy Murphy, Ad Wolcott, R. O. Brown, Leach, Cross, Young Schurke, Johnnie Payne, Willie Beecher and Frankie Burns, a formidable array of fighting material, and enough boxing strength to quell the Mexican revolution.

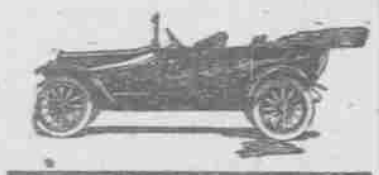

"Hogan is a real fighter; the kind that tears from bell to bell, and should be get the winner of the coming contest, the one who are fortunate enough to witness his fight, will see a battle long to be remembered.

"I hope your challenge in our behalf will have the desired effect. Your friend, 'Manager' 'One Round' Hogan, Jimmy Fox and Joe Greenglass."

Studebaker

ECONOMICAL LIGHT WEIGHT **SIX**

\$1575

The largest "Six" production and the best equipped plants in the world.

There you have, in the fewest words, the reason for Studebaker SIX value and price.

We build and sell more "Sixes" than any other maker.

We manufacture a greater proportion of parts for our cars than any other maker produces for his.

We have eliminated middleman's profits to an extent achieved in no other car.

Thus we are enabled to make the Studebaker SIX the quality-equal of any car at any price—and to make it the best "Six" value in the world.

Let us tell you the names of Studebaker SIX owners, who will gladly assure you of their absolute satisfaction.

Send for the Studebaker Proof Book, which describes and pictures Studebaker complete manufacturing methods.

STAGE SET FOR PAPKE-MARTIN GO AT FORT BLISS

Boxing Enthusiasts Promised Real Battle at Fort Bliss Arena.

An ancient and time honored question relative to supremacy between a clever boxer and a hard hitting fighter will be enacted before El Paso fight fans tonight at Fort Bliss, when Johnny Papke, feather champion of the army, and Frankie Martin, the plucky little fighter with the punch of a middleweight clash in a scheduled 10 round contest.

Speculations on the outcome of the contest award a slight edge to Papke, in view of the experience which the little boxer has had in San Francisco's four round game. It is believed, however, that the chief factor which has influenced betting odds to waive on the fighter, is the traditional fighting prowess of Billy Papke, his brother, a middleweight champion in his time, and one of the greatest fighters the world has ever known.

Each is a hard hitting, aggressive and some fighter. Each will have his co-side, who will boost for a victory for their favorite. Because of the clash of the two possible contest a record breaking crowd is anticipated. A great deal of interest has been manifested in the bout by El Paso fight followers.

Martin Is Heavier.

Martin will enter the ring weighing around 125 pounds, while the supple Papke will probably scale around 120 pounds. Giving away weight to a fighter like Martin certainly is not an advantage in favor of Papke, although adherence of the little westerner believes that class and cleverness will tell and their proteges will be returned the victor.

Both boys are the flower of their respective divisions along the border. Martin claims the lightweight championship of the Mexican border by conquest and rightly so, having defeated every man of promise in this section, with the exception of Battling Mantell. Papke is the undisputed feather champion of the army, and should ripen and develop under careful management.

Both Ready for Bell.

Both principals are in excellent physical condition, having trained consistently for the past three weeks. Papke has a slightly injured eye, which he will wear due to the unorthodox but on the part of one of his sparring partners, who was a bit of a wildcat would come around in good shape before the fight was given by the club physician who has examined both boxers and pronounced them perfect.

Sergeant Vandewalker, likely middleweight from company 1, 10th infantry, and Sergeant Branson will go on in the eighth round semi-final. Vandewalker is well known to the fans of this section because of his good work in a contest with an artilleryman several weeks ago, and is expected to be the runner-up in the card.

Promoter C. C. Crowl announced Thursday that the gloves would be on the curtain raiser principals and everything would be in readiness for the card to start at 8:30 sharp.

ETAHWAH SETS NEW WORLD'S RECORD

Cleveland, O., July 21.—In a special event Wednesday afternoon at the third day's grand circuit races at North Randall, Eta-hwah, owned by Frank G. Jones, of Memphis, trotting a mile in 2:04, established a world's record for a 2-year-old trotter of either sex. The old record, 2:04, was made in 1931 by Directum. In the morning Gears drove Ahril, another Junior horse, a mile in 2:04, the fastest mile trotted this season. Ahril also became the fastest record trotter in training.

Gears also drove Napoleon Direct to victory in the last race of the meet so far, the last event of the day. Six heats were required to pick the winner in the 2:12 pacing event. After Shadwell, Pomeroy and first, Napoleon Direct took the second and third. Then Coatsman Model came to the front and won the race. Pomeroy, having a thrilling brush-down the stretch and took the last heat and the race.

The second race of the afternoon, the North Randall stakes for 2-year-old colts, trotting, also furnished several surprises. Margaret Draden, the favorite, captured the first two heats without trouble. Shadwell, who was third and second, respectively, in the first two heats, came back strong and captured the last three of the race. In the second heat Gears drove the Guide in third, being the first time since he won the Ohio stakes that he had won the race.

Oakdale won the first event for 2-year-old colts trotting in two straight heats.
